How to find us:

[Multimap Online Map](#)
[Google Online Maps](#)

By Car

Those arriving by private car should follow the signs to the University from the A64 and then make for H

By Bus

Buses 4 and 5 run from York railway station to the University, approximately every 15 minutes during the

By Rail

York is a major rail interchange, with direct train services to most cities, including a frequent, fast (under 2 hours) service to London. For more information, visit the [National Rail Enquiries Online](#) website.

By Air

Manchester Airport serves a good range of European and some intercontinental destinations, and there are also direct flights to York from London.
