

Disclaimer: conference notes are intended to provide an informal briefing for members of the DPC who may not be able to attend the event. These comments are not intended to be comprehensive and are from a personal perspective. Although we generally supply copies to event organisers, no attempt has been made to validate the contents. For an authoritative and comprehensive report, readers may wish to contact the organisers of the event or speakers mentioned directly.

The reports listed below have been released after an embargo. Members wanting access to [embargoed reports and updates](#) should log into the [Conference Area of the website](#).
