Modifications: acquisition process

- Ownership
- Copyright
- Rumours of the death of “the original”...?

Modifications: differences in relationships?

- Different channels
- Timescales
 - Talent-spotting?
- Visibility and reputation

Modifications: cataloguing process

- Throughput
 - Storage in the interim?
- Process
 - Appraisal?
 - Description level / amount of detail
 - Producing unit is what?

Modifications: cataloguing fields

- ISAD(G) fields - usability
 - Date – “the photocopy problem”
 - Extent
 - Physical description

IT'S ALL JUST STUFF

Rocket science but....

...we have the technology
