| Interest in Digital Preservation |
| <p>The DCC was established by two DPC members, JISC and the E-Science Core Programme. The Centre is a consortium of the University of Edinburgh (lead partner); University of Glasgow; UKOLN at the University of Bath; and the Council for the Central Laboratory of the Research Councils (CCLRC). The DCC has two aims, to be an organization that is research proficient and to be one which is service oriented. Its objective is to:</p> <p>Provide a national focus for research into curation issues and to promote expertise and good practice, both national and international, for the management of all research outputs in digital format.</p> |
