# Digital Preservation Awards 2016 – Sponsorship Packages

The Digital Preservation Awards are a prestigious group of international prizes presented every two years to the initiatives, institution or individuals that have delivered outstanding contributions to ensuring our digital memory is accessible tomorrow. Organised under the auspices of the Digital Preservation Coalition, and overseen by an impressive and high-profile judging panel. We are delighted, therefore, to offer a limited number of opportunities whereby sector-leading institutions and commercial vendors may associate themselves with the awards.
