

Date: Thursday 19th October 2006

Venue: The Seminar Suite Glasgow Metropolitan College, 60 North Hanover Street, Glasgow G2 1BP

Time: 10.00 - 16.30

Cost: £50 DPC & CILIP members, £75 non members

This one day forum was jointly organised by CILIP in Scotland and the Digital Preservation Coalition and was aimed at library and information professionals who work with digital resources. The forum explored whether content is being locked away behind technical protection measures and asked how we can make content accessible while upholding the rights of intellectual property owners. The forum also highlighted digital preservation issues in order to ensure long term accessibility of digital resources.
