

Teaching Assistant

Position type: 6 months, Full Time

Salary: £26,004 to £29,249 (pro rata)

Closing date: 9th December

Location: Glasgow

The University of Glasgow seeks to employ a Teaching Assistant to undertake high-quality teaching in Humanities Advanced Technology and Information Institute (HATII) / Information Studies and undertake administration as requested by the Head of Subject. The main duties and responsibilities of the post are:

- To contribute to the planning, organisation and delivery of undergraduate and postgraduate teaching activities within subject area in accordance with established HATII Subject programme.
- To supervise individual student projects and dissertations and assist with difficulties e.g. learning support/problems.
- To contribute to the ongoing development and design of the curriculum, in a manner that supports a research-led approach to student learning.
- To engage in professional development as appropriate.
- To participate fully in the assessment process (using a variety of methods and techniques) and provide effective, timely and appropriate feedback to students that supports their learning.
- To undertake subject/faculty level administration, e.g. advising, as requested and supported by the Head of Subject/School.
- Identify student needs and problems within areas taught and contribute to the School/Subject's strategy for enhancing the quality of teaching provision
- To help develop new teaching approaches and contribute to curriculum development in a manner that supports a research-led approach to student learning
- Other appropriate duties as assigned by Head of School/Subject
