

Senior Archivist

Position Type: Full time, Permanent

Salary: 56392-76295 NZD

Closing Date: 28/01/2013

Location: Wellington, New Zealand

This is an exciting opportunity to join the team developing digital management and preservation capability at Archives. This key role has responsibility for supporting business staff as they work with public sector agencies preparing digital material for transfer to Archives New Zealand, overseeing the efficient ingest of transferred items into the archival management system, and helping define the requirements for continuously improving digital processes and systems.
