#### Asked By Baroness Sharples

To ask Her Majesty's Government what measures they are taking to combat the spread of tuberculosis in the United Kingdom.

Baroness Thornton: My Lords, the Government are committed to tackling TB, and in 2004 the Chief Medical Officer for England published an action plan. Our key strategy is early detection and completion of treatment. To implement this, we launched an information pack designed to help MHS commissioners secure best services to meet local needs, and we are funding an awareness-raising programme for the public and professionals to help earlier identification of TB.

Baroness Sharples: My Lords, I thank the noble Baroness for that Answer. Does she agree that one in three
