Digital Continuity

Definition

- **find** it when you need it
- **open** it when you need it
- **work** with it in the way you need to
- **understand** what it is and what it is about
- **trust** that it is what it says it is

Advice for making progress...

**find
what
works**

**not
what's
popular**

User research isn't about finding out what users like, but what works best for them.

Conclusion

KEEP
THINGS
SIMPLE
