9th February 2021

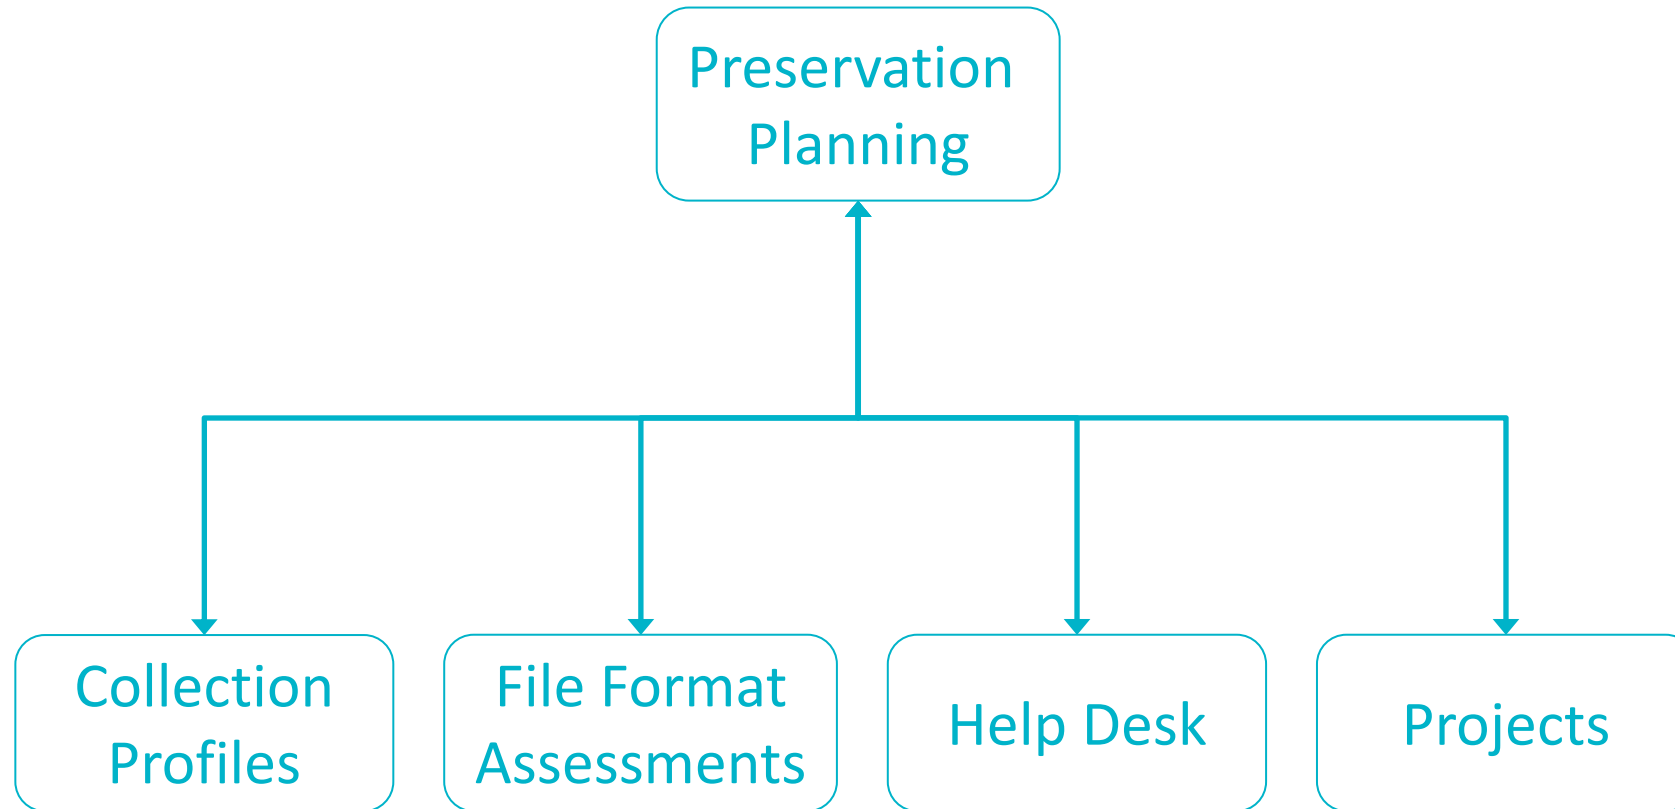

Agenda

- Digital preservation activities at BL
 - What have we been doing?
 - How do they relate to planning?
- Convergence in IPS
 - What is IPS?
 - What planning capabilities does it currently offer?
 - How do our other activities fit in?
- Where next:
 - What are (some of) our forthcoming plans?

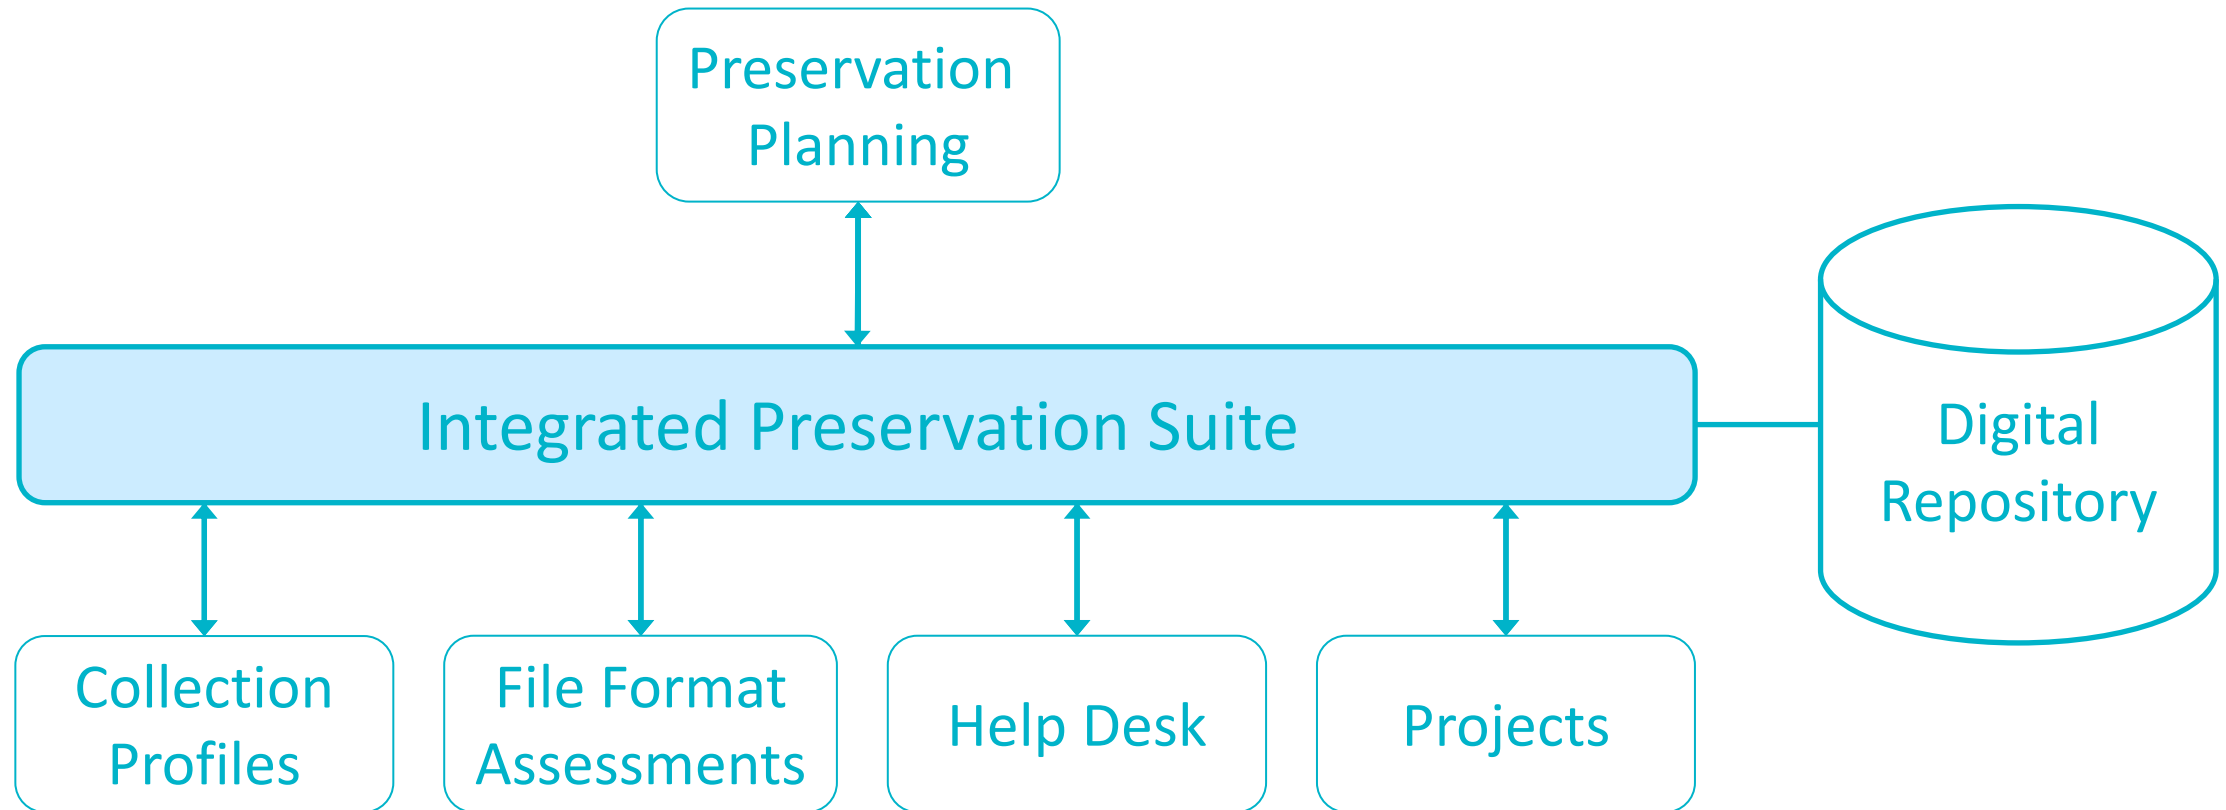

Integrated Preservation Suite

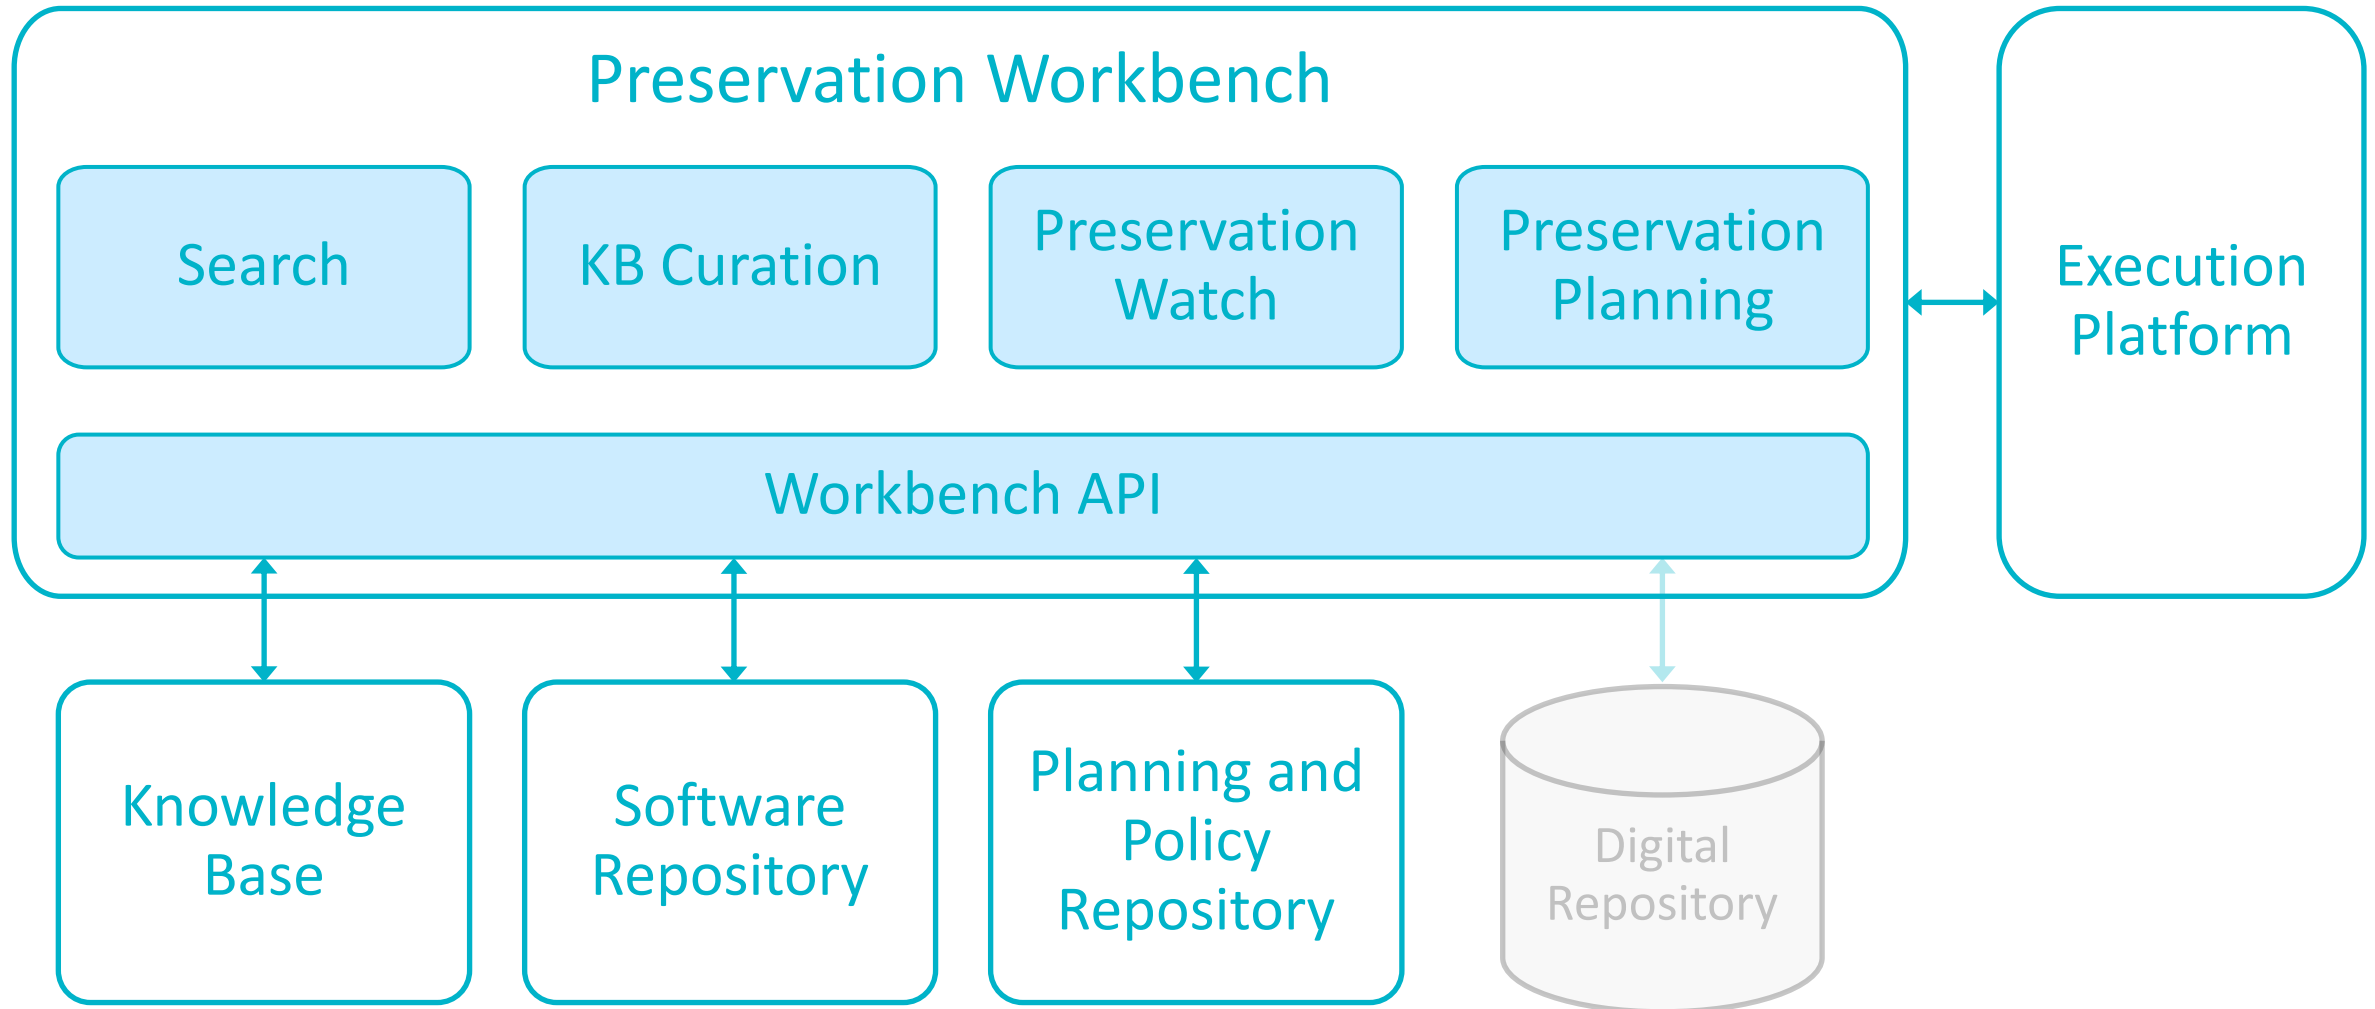

BL Digital Preservation Activities*

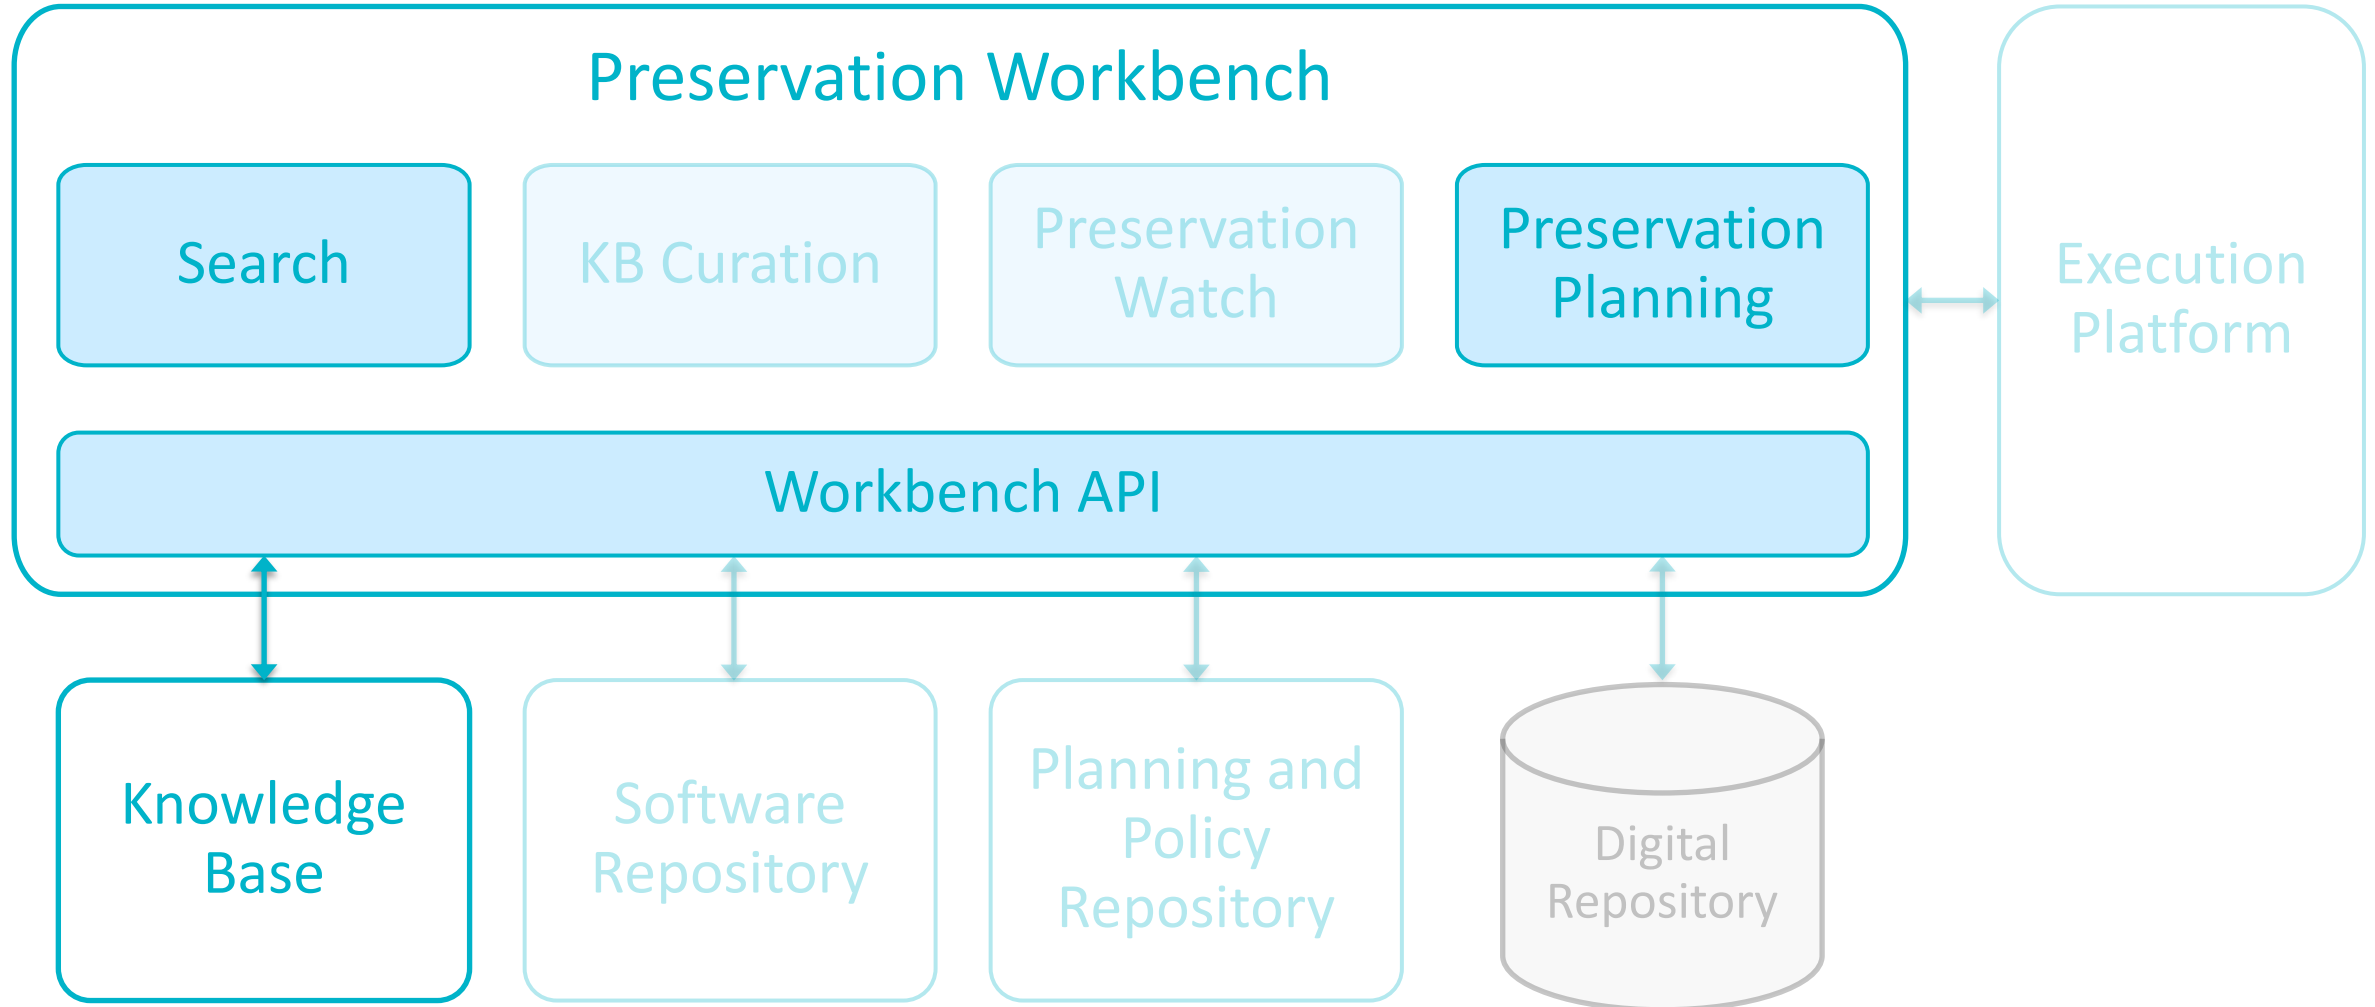

IPS & Preservation Planning

IPS Components

Demo Focus

Integrated Preservation Suite

Demo Time

- Searching the Knowledge Base
- Preservation Planning

Future Focus

- Preservation Planning Automation Improvements
 - Integration with Knowledge Base
 - Bringing collection profile/format risks into equation
 - Integration with Software Repository
- Preservation Watch Implementation
 - Notifications of changes warranting (re-)planning
- Knowledge Base Data Improvements
 - New data sources, such as PAR Integration
