

We're an "open and social" project and we would like to encourage all attendees at the conference to join in with the note taking. Apart from the usual social media channels there are some on-line tools we'd like to encourage you to use, in particular Titanpad and/or Google docs<sup>1</sup>. Links for each session can be found in the table below.

**Note:** If you are prompted for a password it will in all cases be **IIO2014** (upper case INDIA, INDIA, OSCAR, two ,zero, one, four)
